PETITIONER's COMMENTS

Please accept these comments as restated below from Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 245C3 to **Tilden**, Texas, as that community's first aural broadcast transmission service. **Tilden** is the county seat of McMullen County and has a population of 450 people. **Tilden** has its own post office, volunteer fire department and the First Baptist Church of **Tilden**. As of March 1999, 40 business establishments in **Tilden** had been given a credit rating by Dun & Bradstreet.

Should this petition be granted, and Channel 245C3 be allotted to **Tilden**, Texas Petitioner will apply for Channel 245C3, and after it is authorized, will promptly construct the new facility.

The information provided in these Comments, and in the original Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,
