PETITIONER's COMMENTS

Please accept these comments as restated below from Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 237C3 to **Snyder**, Texas, as that community's second competing commercial FM service. **Snyder** is an incorporated city of over 12,000 people according to the January 1, 1998 Texas State Data Center. **Snyder** is the county seat of **Scurry** County. **Snyder** has its own school system, the **Snyder** Independent School District, its own mayor, Dayton Robinson, its own fire department, its own post office and a number of churches.

Should this petition be granted, and Channel 237C3 be allotted to **Snyder**, Texas Petitioner will apply for Channel 237C3, and after it is authorized, will promptly construct the new facility.

The information provided in these Comments, and in the original Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,
