Re: Ex Parte Notice; Inquiry Concerning High-Speed  
Access to the Internet Over Cable and Other Facilities, Gen Docket No.  
00-185

Dear Ms. Salas:

On August 16, 2001, representatives from Excite@Home, Darryl Cooper and Milo Medin, met with Marsha MacBride, Chief of Staff for Chairman Powell. As summarized in the attached document, Excite@Home presented various engineering and operational issues related to supporting multiple Internet Service Providers (ISPs) over cable networks. The presentation also detailed Excite@Home's multi-ISP platform. Based on Excite@Home's network assets and intellectual property, this platform offers time-to-market and cost effective solutions that benefit cable operators, as well as ISPs in a multi-service provider environment.

Pursuant to section 1.1206(b)(2) of the Commission's rules, one copy of this Notice is being submitted electronically to the Office of the Secretary. Copies of the Notice are also being distributed to the Commission personnel involved.

Sincerely,

Darryl Cooper  
Corporate Counsel
