RE: Applicant's Form Identifier Eulalia  
Form 471 Application Number: 258856

Dear Reader,

I am appealing your decision that our Services Ordered and Certification Form 471 did not meet Minimum Processing Standards because you believe the Form 471 Certification submitted does not contain an original signature.

Our application was filed electronically on January 18, 2001 at 2:24 pm. Duplicate paper application forms 470 and 471 were sent by certified mail the same day. Your office received the paper application on January 22, 2001. (See copy of receipt)

In March I received a phone call from your office telling me that since I had filed electronically, you did not have my signature on file. I informed your representative that you did have my signature on file because I had sent a paper application in addition to the electronic. He verified that you did have my signature on file.

I assure you that my original signature appears on all documents. It is not electronically or mechanically reproduced. My signature appears at the bottom of this document. For legal purposes my signature is SM Tindall. (See copy of driver's license)

Please reconsider your decision.

Sincerely

Sue Tindall

**NOTICE TO INDIVIDUALS:** Section 54.504 of the Federal Communications Commission's rules requires all schools and libraries ordering services that are eligible for and seeking universal service discounts to file this Services Ordered and Certification Form (FCC Form 471) with the Universal Service Administrator, 47 C.F.R. § 54.504. The collection of information stems from the Commission's authority under Section 254 of the Communications Act of 1934, as amended, 47 U.S.C. § 254. The data in the report will be used to ensure that schools and libraries comply with the competitive bidding requirement contained in 47 C.F.R. § 54.504. All schools and libraries planning to order service eligible for universal service discounts must file this form themselves or as part of a consortium.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The FCC is authorized under the Communications Act of 1934, as amended, to collect the personal information we request in this form. We will use the information you provide to determine whether approving this application is in the public interest. If we believe there may be a violation or a potential violation of a FCC statute, regulation, rule or order, your application may be referred to the Federal, state, or local agency responsible for investigating, prosecuting, enforcing, or implementing the statute, rule, regulation or order. In certain cases, the information in your application may be disclosed to the Department of Justice or a court or adjudicative body when (a) the FCC; or (b) any employee of the FCC; or (c) the United States Government is a party of a proceeding before the body or has an interest in the proceeding.

If you owe a past due debt to the Federal government, the taxpayer identification number (such as your social security number) and other information you provide may also be disclosed to the Department of the Treasury Financial Management Service, other Federal agencies and/or your employer to offset your salary, IRS tax refund or other payments to collect that debt. The FCC may also provide the information to these agencies through the matching of computer records when authorized.

If you do not provide the information we request on the form, the FCC may delay processing of your application or may return your application without action.

The foregoing Notice is required by the Privacy Act of 1974, Pub. L. No. 93-579, December 31, 1974, 5 U.S.C. § 552, and the Paperwork Reduction Act of 1995, Pub. L. No. 104-13, 44 U.S.C. § 3501, et seq.

Public reporting burden for this collection of information is estimated to average 4 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, completing, and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the reporting burden to the Federal Communications Commission, Performance Evaluation and Records Management, Washington, DC 20554.
