PETITION FOR RULE MAKING

Please accept these comments as restated below from Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 243A to **Evant**, Texas, as that community's first aural broadcast transmission service. **Evant** is an incorporated city with a population in excess of 450 people according to the January 1, 1998 Texas State Data Center. **Evant** has its own mayor, Alma Green, its own school system, the **Evant** Independent School District, its own post office, its own fire department, the **Evant** Fire Department, its own city hall, the **Evant** City Hall and a number of churches.

Should this petition be granted, and Channel 243A be allotted to **Evant**, Texas Petitioner will apply for Channel 243A, and after it is authorized, will promptly construct the new facility.

The information provided in these Comments, and in the original Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,
