PETITION FOR RULE MAKING

Smoke and Mirrors, L.L.C. ("Smoke & Mirrors"), licensee of Station KRRK, Lake Havasu City, Arizona, by its counsel, hereby requests that the Commission amend the FM Table of Allotments to delete Channel 266C1 at Lake Havasu City, Arizona, and allot Channel 266C1 at Yucca, Arizona as that community's first local service. If the Petition is granted, Smoke and Mirrors will file an application to modify the license of KRRK to specify operation on Channel 266C1 at Yucca.¹

The following table summarizes the changes requested in this Petition:

City	Channel	
	Existing	Proposed
Lake Havasu City, Arizona	266C1	-----
Yucca, Arizona	-----	266C1

In support hereof, Smoke and Mirrors states as follows:

¹ Smoke and Mirrors has an application pending to upgrade Station KRRK to Class C0. See File No. BPH-20010910ABO. Smoke and Mirrors will continue to prosecute that application, which is consistent with the community of license change proposed herein.

I. Technical Analysis

1. As demonstrated in the Technical Exhibit, Channel 266C1 can be allotted to Yucca, Arizona at the current KRRK transmitter coordinates of 34-33-06 North Latitude, 114-11-37 West Longitude consistent with Section 73.207 of the Commission's Rules. *See* Exhibit 1. A 70 dBu signal can be provided to Yucca from the proposed reference point. *See* Exhibit 2. No change in facilities of KRRK will be necessary in order to implement this change in community of license.

II. Change in Community of License

2. The proposed change in community of license of KRRK from Lake Havasu City to Yucca satisfies the prerequisites set forth in *Amendment of the Commission's Rules Regarding Modification of FM and TV Authorizations to Specify a New Community of License*, 4 FCC Rcd 3870 (1989), *recon. granted in part*, 5 FCC Rcd 7094 (1990) ("*Community of License*"). First, because no change in facilities is requested, the proposed use of Channel 266C1 at Yucca is mutually exclusive with its current use at Lake Havasu City. Second, the Yucca proposal is preferred under the Commission's priorities, since Yucca would receive a first local service (priority 3), while Lake Havasu City will retain service from Stations KNTR(AM), KBBC-FM, KJJJ(FM), KNLB(FM), and KZUL-FM (priority 4). *See Revision of FM Assignment Policies and Procedures*, 90 FCC 2d 88 (1982).

3. Yucca is a community deserving of a first local preference. Yucca has a population of 282. *See* Exhibit 3. Yucca has its own zip code, 86438, and a branch office of the U.S. Post Office. *See* Exhibit 3. Fire protection services are provided by the Yucca Fire Department. Yucca School District 13 provides elementary and middle school education (kindergarten through eighth grade). Retail establishments in Yucca include a restaurant,

grocery store, and auto service center, and a truck service center. Test Equipment Corporation, selling and leasing electronic equipment, maintains a corporate office in Yucca. The Stagecoach Trails Guest Ranch offers family-oriented vacationing and tourism opportunities. The Ford Motor Company operates an aviation test facility in Yucca. See Exhibit 3

III. CONCLUSION

The allotment of Channel 266C1 to Yucca, Arizona is in the public interest because Yucca will receive its first local service. Lake Havasu City will continue to have five local services. The Commission should promptly issue a Notice of Proposed Rule Making as described herein.

Respectfully Submitted,

SMOKE AND MIRRORS, L.L.C.

PETITION FOR RULE MAKING
SMOKE AND MIRRORS, LLC
RE-ALLOT CHANNEL 266C1
YUCCA, ARIZONA
September 2001

TECHNICAL STATEMENT

1. This technical statement and attached exhibits have been prepared on behalf of Smoke and Mirrors, LLC (SML), licensee of KRRK, Channel 266C1, Lake Havasu City, Arizona. SML herein requests that Channel 266C1 be re-allotted from Lake Havasu City, Arizona, to Yucca, Arizona, as that community s first locally licensable FM channel. The proposed allotment to Yucca is mutually exclusive with the present licensed operation of KRRK in Lake Havasu City, Arizona.

PROPOSAL

2. Channel 266C1 can be allotted to Yucca, Arizona, with a site restriction of 36 kilometers south-southwest of the community in order to specify the present KRRK transmitter site. The reference site for the proposed allotment of Channel 266C1 at Yucca, Arizona, is North Latitude 34 33' 06" and West Longitude 114 11' 37".

3. Attached as Exhibit #1 is a §73.207 spacing study demonstrating that Channel 266C1 meets the Commission s minimum distance separation requirements to all licensed, applied for or proposed facilities from the proposed allocation site. Further, from the proposed reference site, a the 3.16 mV/m (70 dBu) contour of the licensed KRRK facilities is provided over Yucca.¹

1) There is ample line-of-sight from the KRRK transmitter site into Yucca.

4. Therefore, SML herein requests the following changes in §73.202 of the Commission's rules.

Yucca, Arizona

Present	Proposed
None	266C1

Lake Havasu City, Arizona

Present	Proposed
244C2, 266C1, 272C2, 283C2	244C2, 272C2, 283C2

PUBLIC INTEREST

5. The allotment of Channel 266C1 to Yucca, Arizona, will provide that community with its first locally licensable FM channel, without depriving Lake Havasu City of its only local service, since four FM stations (three commercial and one non-commercial) and one AM station will remain licensed to Lake Havasu City. Since no change in site from the licensed KRRK facility is proposed, there will be no loss of service as a result of this proposal.

6. Once Channel 266C1 is allotted to Yucca, Arizona, SML will submit the required minor change application for construction permit (FCC Form 301) seeking authority to make the changes to the facilities of KRRK.

7. The foregoing technical statement was prepared on behalf of Smoke and Mirrors, LLC, by Graham Brock, Inc., its Technical Consultants. All data related to FM facilities was extracted from the CDBS database. We assume no liability for errors or omissions in those databases that may be adverse to the requests contained herein.

"With our incredible rates, wonderful family atmosphere and unbeatable friendly staff, you will not find a better dude ranch for next vacation" - Dan & Carrie Rynders

Just take a look at what some of our past guests have said about Stagecoach Trails:

Lesley and Lorna Parkes wrote - "This week at the guest ranch has exceeded my expectations largely because of the wonderful family spirit that has been so generously shared with us..."

Bobbie and Lowell Martin wrote - "After the glitzy lights of Las Vegas, we thought this would be a real let down, but instead we found the real stars right here. Your

caring and compassion have made this a memorable experience and one we will never forget...You truly lit up our lives."

Barry Langer wrote - "I can't quite find the words to communicate just how much fun I had and how deeply I fell in love with your family and your staff. What you provided us went far beyond hospitality-it was love..."

Nicholas Albarracin (10 yrs old) wrote - " Thank you for letting me have the freedom to walk around and play with the animals. I felt like I was a special person. It felt so great to have friends on the first day I came here at Stagecoach Trails Guest Ranch..."

Don and Gail Slaughter wrote - "Howdy made the trail rides fun & exciting, and the countryside he showed us was beautiful. Thank you again for a totally relaxing 4 days. Also for sharing your wonderful family with us. We will be back again real soon."

Mel and Dee Munndorf wrote - " We have enjoyed our stay here so much. The ranch is just wonderful! You have a spectacular place. We are eager to come back. We came as strangers and left as friends - not many places you can do that."
