Re: **ET Docket No. 00-221**

Dear Ms. Salas:

On September 21, 2001, ArrayComm, Inc., represented by Martin Cooper, President and Chief Executive Officer, Bradley Holmes, Senior Vice President, Regulatory & Government Affairs, and Randall Coleman, Vice President, Regulatory Affairs, met with Commissioner Kevin Martin and his Legal Advisor for Wireless and International Issues, Monica Desai.

The purpose of the meeting was to introduce Commissioner Martin and Mr. Cooper and to acquaint the Commissioner Martin and Ms. Desai with ArrayComm's history, its innovative technologies and its interests at the Commission. In that last regard, ArrayComm restated its interest in acquiring spectrum under consideration in the referenced rulemaking, specifically the 1670-1675 MHz band, and expressed its concern over the delayed progress of that proceeding.

Pursuant to Section 1.206(b) of the Commission's Rules and Regulations, 47 C.F.R. § 1.206(b), two copies of this Notice are included.

Respectfully submitted,

Randall S. Coleman
