Re: Revision of the Commission's Rules to Ensure Compatibility with  
Enhanced 911 Emergency Calling Systems, CC Docket No. 94-102

Dear Ms. Salas:

Michael Amarosa, Philip Verveer, and I, on behalf of TruePosition, Inc. ("TruePosition"), met with Paul Margie of Commissioner Copps' office today. We discussed agreements TruePosition recently reached with Cingular Wireless to deploy a TDMA solution and MoviStar Puerto Rico to deploy a CDMA solution that satisfy the Commission's E911 Phase II requirements. In addition, we discussed the status of the Phase II waiver requests pending before the Commission.

In accordance with the Commission's rules, I am submitting two copies of this letter.

Sincerely,

David M. Don
