SUPPLEMENTAL COMMENTS

Mobex Communications, Inc. (Mobex) and its subsidiary, Regionet Wireless License, LLC (Regionet) hereby respectfully request that the Commission accept its concurrently filed Supplemental Comments in the above captioned matter. In support of its position, Mobex shows the following.

As explained in its Supplemental Comments, more than six months has passed since initial comments were filed in the above captioned proceeding. During that time, the circumstances in which the United States finds itself have changed dramatically. Upon due reflection, Mobex has recognized a better spectrum allocation alternative that it had suggested in its initial comments. Acceptance of Mobex's Supplemental Comments will allow the Commission to consider a more comprehensive allocation plan in the public interest.
