Please be aware that this band, that you are currently considering selling is used for heard of hearing services in the schools and for others who use FM systems. The 216-217MHZ band. We must have a band that we can fit FM systems on without interference so that children can learn and perform to their maximum ability. Please DO NOT SELL this band I must be able to help these children.

Sincerely,  
Stephanie Long, M.A., CCC-A
