Please accept these comments as restated below from Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 290A to **Alton**, Missouri, as that community's first aural broadcast transmission service. **Alton** is an incorporated city with a population in excess of 688 people. **Alton** has its own mayor, Brad Vest, its own school system, its own post office, its own fire department, its own city hall and a number of local churches.

Should this petition be granted, and Channel 290A be allotted to **Alton**, Missouri Petitioner will apply for Channel 290A, and after it is authorized, will promptly construct the new facility.
