Please accept these comments as restated below from Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 225A to **Port Sanilac**, Michigan, as that community's first aural broadcast transmission service. **Port Sanilac** is an incorporated township with a population in excess of 675 people. **Port Sanilac** has its own village president, Mary Sertich, its own school system, its own post office, its own fire department and a number of local churches.
