PETITIONER's COMMENTS

Please accept these comments as restated below from Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 223A to **Moberly**, Missouri, as that community's thrid competing commercial FM service. **Moberly** is an incorporated city with a population in excess of 16,000 people. **Moberly** has its own mayor, Lawrence Rucker, its own school system, its own post office, its own fire department, its own city hall and a number of local churches.
