Re: *Joint Application by SBC Communications Inc., et al. for Provision of In-Region, InterLATA Services in Arkansas and Missouri, CC Docket No. 01-194*

Dear Ms. Salas:

On behalf of SBC Communications Inc. ("SBC"), I am writing to inform you that Priscilla Hill-Ardoin, Rebecca L. Sparks, and the undersigned, representing SBC, met today with Commissioner Martin and his legal advisor, Monica Desai, to discuss the Joint Application, generally, and the DSL resale issue, in particular. These same SBC representatives also met today with Jordan Goldstein, legal advisor to Commissioner Copps, to discuss the same issues.

Finally, Kelly M. Murray and Scott H. Angstreich, representing SBC, spoke on the telephone today with Uzoma Onyeije of the Common Carrier Bureau, confirming that line records on UNE loops are maintained in SBC's Work and Force Administration/Control system ("WFA/C"), not in the loop maintenance operations system ("LMOS").

In light of the FCC's Public Notice, DA 01-2436 (Oct. 17, 2001), SBC will file this letter electronically through the Commission's electronic comment filing system. Thank you for your assistance in this matter.

Sincerely,

Geoffrey M. Klineberg
