

Dear FCC Chair: Michael Powell,

I am an employee of a large telecommunications company and I am very familiar and concerned with the concentration of power, abuse, anti-competitive behavior, and other actions not in the public interest. The FCC is mandated to protect citizen's

communication rights. A democracy desperately need diverse, independent media that provides forums for the multitude of differing opinions.

Media concentration stifles free speech while profiting a few media oligarchs. Do not lift the ban on cross-ownership of newspapers and TV stations. I also do not want one or two cable companies dictating America's programming and internet cable choices. Do not overturn the limits on cable system ownership! Do your job and stop media monopolies from destroying our democracy.

Sincerely,

Daniel R. Dusch, Jr.
