We're glad you asked:

In order for Whistlestop Days to grow into a major community celebration it became obvious that more community participation was needed for planning and organizing the events. In order to meet that need the Covington Citizens Action Committee (CCAC) was formed in the fall of 1998. The group is made up of representatives from each service organization in Covington and any citizen interested in participating. Board meetings are generally open to area residents and their input is welcome.

Meetings are held at Covington City Hall located at 17210 SE 272nd Street in downtown Covington. Whistlestop Days meetings are held on the second Tuesday at noon and Weekend Market meetings are held on the fourth Tuesday at noon. Anyone interested enough to attend is given an equal say and allowed to vote on all issues.

The CCAC has adopted the following goals:

1. Forge a bond of cooperation between Covington's service groups and it's citizens in order to plan and execute the Annual Celebration – Whistlestop Days. The purpose of this celebration is to enhance the name of the City of Covington and provide for community involvement by its citizens.
2. Create and manage a Covington Weekend Market beginning in the summer of 1999 in order to help financially support an annual celebration.
3. Provide financial support of projects which will enhance our community and provide needed services for its citizens. These projects will include but not be limited to a food bank, domestic abuse shelter, and scholarship fund.

The CCAC has met each of these goals in their first year and will continue to work to improve the system.

In addition, the CCAC has partnered with the City of Covington on the annual Street Banners and the Christmas Tree Lighting Ceremony.

This is an active group that works hard and has a GOOD TIME putting their efforts into community needs and leaves the politics of Covington to others.

Everyone loves a parade...

The Incorporation Parade will be one of the highlights of Whistlestop Days 2000 and will start at 10:00 am on Saturday, July 29. The Parade route will start at the Covington Fred Meyer and proceed east on 272nd to Wax Road where it will turn North and then enter the MultiCare facility. We are pleased that AT&T Cable has chosen to sponsor the parade as part of their effort to support local communities – they are a welcome addition to the whole Covington festival tradition.

The Incorporation Parade was first held on September 13, 1997 as part of the Incorporation Celebration. After hearing from community leaders that a parade was not possible in Covington “because you can’t close a highway” – Dr. Bill Modglin Jr. decided to take the bull by the horns and find a way to get it done. Dr. Bill’s success was one of the highlights of Covington’s first days as a city. He acted as Covington’s Parade organizer for three years retiring after the 1999 Parade.

This year Jeff Clark has taken over as Incorporation Parade Chair and will add his own style to the procession. Jeff is committed to following in the small town tradition of the Incorporation Parade which is one of the only parades left in the state that is free to all entrants. Contact Jeff with any questions or requests for applications to participate at 253-630-8834, e-mail at jefftoddclark@aol.com or use the application provided on the web site.

What are you doing this weekend?

The Covington Weekend Market will open for its second season on June 10 and will run for fifteen Saturdays ending on September 23. Hours for the Market will be from 9:00 am until 4:00 pm. The Market will once again be located on 172nd SE next to Taco Time and behind Les Schwab Tire. This year the Market will host three of the popular Citywide Garage Sales – June 17, July 15 and August 26. We are very please to have the support of Auburn Regional Medical Center for the second year and we are grateful to Knutsen Construction for donating the use of the property.

Booth spaces will again be available for a variety of items with an emphasis on locally produced crafts, fresh fruits/vegetables, swap meet/garage sale and much, much more. The cost of a 10' x 10' space is still \$15.00 per day with a 25% discount for seniors (over 59½ years of age) and disabled individuals. Vendors will need to supply their own tables, chairs and canopy (if desired).

Two special vendor packages are available this year. The Six Week Package includes six regular weeks and one garage sale day for the cost of 5½ regular weeks or \$82.50 (in advance) a savings of \$15.00. The Twelve Week Package includes all twelve regular weeks and all three garage sale weeks for the cost of 11 regular weeks or \$165.00 (in advance) a savings of \$37.50.

Jesse Ackerson will be acting as the Chair of the Covington Weekend Market for 2000. Jesse was one of the Markets regular vendors in 1999 and is a member of the CCAC Board of Directors. You can reach Jesse by paging him at 206-608-9515.

Dianne Heide will be organizing booths and taking booth applications for the Weekend Market. Feel free to contact Dianne at 253-639-0942 or e-mail at dheide@uswestmail.net.

The CCAC recognizes that the success of the Market depends on everyone working together. In order to make participation easy for everyone the Market organizers hold a regular monthly meeting to discuss Market needs. The meeting is held the fourth Thursday of the month at noon at City Hall in Council Chambers, 17210 SE 272nd Street. Everyone is welcome to attend.

Be a part of the fun!
 click to see the schedule!

This will be the fifteenth year for the Whistlestop Days Fair which will host 80-100 booths showing a marvelous range of items. The fair features many of Covington's own artisans plus commercial vendors and informational booths from the City, utilities and local service organizations.

Whistlestop Days booths are a great bargain too! Vendors showing handcrafted items will be able to rent a 10' x 10' booth for only \$35.00. Commercial vendors will receive their booth for \$70.00. Many non-profit and service organizations are provided a booth at no charge in exchange for helping out during the weekend.

Not Dianne Heide

Dianne Heide will be organizing the booths for the second year and welcomes any input you may have on layout and vendor needs. You can reach Dianne at 253-639-0942 or on e-mail at dheide@uswestmail.net. Check out the signup sheets provided on the web site and feel free to give her a call if you have any questions.
