NOTICE OF PROPOSED RULE MAKING

Adopted: October 17, 2001

Released: October 26, 2001

Comment Date: December 17, 2001

Reply Date: January 2, 2002

By the Chief, Allocations Branch

1. The Commission has before it for consideration a Petition for Rule Making filed by Linda Crawford ("Crawford") requesting the allotment of Channel 271A at Camp Wood, Texas. Crawford stated that she would file an application for Channel 271A at Camp Wood if the channel is allotted to the community.

2. We believe the proposal warrants consideration because the proposed allotment could provide additional local FM broadcast service to the community of Camp Wood, Texas. Crawford submits that Camp Wood is an incorporated community with a population in excess of 800. Crawford also states that Camp Wood has its own local government, post office, volunteer fire department and numerous churches that serve the community. A staff engineering analysis indicates that Channel 271A can be allotted to Camp Wood consistent with the minimum distance separation requirements of the Commission's Rules provided there is a site restriction 14.8 kilometers (9.2 miles) north of the community.<sup>1</sup> The site restriction will prevent a conflict with Station KUYA, Channel 272A, Uvalde, Texas. Since Camp Wood is located within 320 kilometers of the U.S.-Mexican border, concurrence of the Mexican Government will be requested for the allotment of Channel 271A at Camp Wood.

3. In view of the fact that the proposed allotment could provide additional local service to

<sup>1</sup> The coordinates for Channel 271A at Camp Wood are 29-48-01 and 100-02-35.

Camp Wood, Texas, the Commission believes it would serve the public interest to solicit comments on the proposal to allot Channel 271A to Camp Wood. Therefore, we will seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to Camp Wood, Texas:

Community	Channel No.	
	Present	Proposed
Camp Wood, Texas	251C3	251C3, 271A

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before December 17, 2001, and reply comments on or before January 2, 2002, and are advised to read the Appendix for the proper procedures. 6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment

which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding.
