REPLY COMMENTS OF MAURICE SALSA

I, Maurice Salsa, hereby respectfully submit this reply to Comments filed by North Texas Radio Group, L.P. ("North Texas") in the above captioned proceeding.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 254A to Kiowa, Oklahoma, as that community's first aural broadcast transmission service.

North Texas in their comments to this proceeding propose to allot Channel 224A in place of Channel 254A at Kiowa, Oklahoma. However, the coordinates specified for Channel 224A at Kiowa, Oklahoma by North Texas of (34 42 58/ 95 54 08) are short by -36.0 Km to Channel 224C2 a used allocation to Blossom, Texas.

The attached channel study shows that Channel 224A cannot be allotted to Kiowa, Oklahoma in compliance with the Commission's spacing rules at the site proposed by North Texas.

For the foregoing reasons, I urge the Commission to allot Channel 254A to Kiowa, Oklahoma. Should the Commission allot Channel 254A to Kiowa, Oklahoma, I will apply for Channel 254A, and after it is authorized, will promptly construct the new facility.

The information provided in these Reply Comments is correct and true to the best of my knowledge.

Respectfully submitted
