PETITIONER's COMMENTS

Please accept these comments as restated below from Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 249C2 to Post, Texas, as that community's first competing commercial FM service. Post is an incorporated city with a population exceeding 3,700 people. Post has its own mayor, Archie Gill, its own post office, its own school district, its own fire department and a number of local churches.

Should this petition be granted, and Channel 249C2 be allotted to Post, Texas Petitioner will apply for Channel 249C2, and after it is authorized, will promptly construct the new facility.

The information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
