Dear Ms. Roman:

I originally submitted this document on October 31 2001. However, because of the anthrax quarantined of the mail it has languished in a mailroom somewhere in Washington, Virginia or Maryland. Therefore, I am resending this document via Federal Express to a law firm in Washington, DC where it will be hand delivered to your offices. Because of the delay in processing this document it has placed me in a situation where time is of the essence.

Any assistance you can provide me in processing this document would be greatly appreciated and I will forever be in your debt.

Respectfully submitted,

Patrick Sullivan
