**COMMON CARRIER BUREAU ANNOUNCES FINAL OPPORTUNITY FOR PARTIES
TO REFRESH THE RECORD REGARDING RECONSIDERATION OF RULES
ADOPTED IN THE UNIVERSAL SERVICE FIRST REPORT AND ORDER, LOCAL
COMPETITION FIRST REPORT AND ORDER, AND LOCAL COMPETITION
SECOND REPORT AND ORDER**

CC Docket Nos. 96-45, 96-98

Release Date: November 14, 2001

Comment Date: 30 days after publication in Federal Register

In July 2001, the Common Carrier Bureau (Bureau) released three public notices¹ asking parties to refresh the record regarding petitions for reconsideration of the *Universal Service First Report and Order*, *Local Competition First Report and Order*, and *Local Competition Second Report and Order*.² The Bureau noted that, since the release of these orders, many of the issues raised in the petitions for reconsideration may have become moot or irrelevant in light of intervening events. For these reasons, the Bureau requested that parties that had filed petitions for reconsideration of these orders file a supplemental notice in response to the public notices indicating which issues, if any, they still wished to have reconsidered. The Bureau stated that to the extent parties did not indicate an intent to pursue their respective petitions for reconsideration, the Commission would deem such petitions withdrawn and would dismiss such petitions. Each of the public notices was published in the Federal Register.³ Several parties filed

in response to the public notices indicating an intent to pursue their respective petitions for reconsideration.⁴

In this Public Notice, the Bureau announces the list of the petitioners that did not respond to the July public notices, as set forth in the attached appendices. These parties may file a supplemental notice of their intent to pursue their respective petitions for reconsideration **within 30 days after publication of this Public Notice in the Federal Register**. The Commission intends to dismiss those petitions for reconsideration from parties that do not indicate an intent to pursue their respective petition for reconsideration. To ensure that each party that filed a petition for reconsideration to the *Universal Service First Report and Order*, *Local Competition First Report and Order*, and *Local Competition Second Report and Order* has actual notice and an opportunity to respond, in addition to publishing this Public Notice in the Federal Register, the Bureau will also mail a copy of this Public Notice to these parties. To the extent that parties have already indicated that they wish to pursue their respective petitions, they need not respond to this Public Notice.
