

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

Please please please protect our media diversity. The U.S. media is already so homogenous that I usually just turn off my TV and radio. I miss my smaller broadcasters.

Thanks
