Re: Abiquiu Village TV Association
Request for Waiver of Regulatory Fees
Fee Control No. 00000RROG-01-050

Dear Ms. Garcia:

This is in response to your September 17, 2001 request for waiver of the regulatory fee for the television translator system operated by the Abiquiu Village TV Association of Abiquiu, New Mexico. As part of your request, you include a letter from the Commission's Office of Managing Director dated November 15, 1996, waiving the fiscal year (FY) 1996 regulatory fees of the television translator system operated by the Abiquiu Village TV Association. You state that there have been no changes in the ownership of or methods of financing Abiquiu Village TV Association since the November 15 letter.

In implementing the regulatory fee program, the Commission stated that it would waive its regulatory fees for any community-based translator station that:

- (1) is not licensed to, in whole or in part, and does not have common ownership with, the licensee of a commercial broadcast station;
- (2) does not derive income from advertising;
- and (3) is dependent on subscriptions or contributions from members of the community served for support.

Implementation of Section 9 of the Communications Act, Memorandum Opinion and Order, 10 FCC Rcd 10,891, para. 16 (1995). Based upon the statements contained in your request and the Commission's previous waiver of the regulatory fee for FY 1996, it appears that the Abiquiu Village TV Association continues to have the type of translator operation for which the Commission proposed to grant relief from the regulatory fee obligation. Under the circumstances, we will therefore waive the regulatory fees for Abiquiu Village TV Association's translator system for fiscal year 2001.

You should note that the Abiquiu Village TV Association is under a continuing obligation to report to the Commission any changes that could affect its qualification for this fee exemption. You should retain this letter, and a copy should be included in any correspondence with the Commission concerning the regulatory fees for your translator service. If you have any questions, please contact the Revenue & Receivables Operation Group at (202) 418-1995.

Sincerely,

Re: Request for Waiver of Regulatory Fees

Dear Ms. Garcia:

This is in response to your request for a waiver of the Fiscal Year 1996 (FY 1996) regulatory fees for the television translator system operated by the Abiquiu Village TV Association of Abiquiu, New Mexico.

In a letter dated February 1, 1996, the FY 1995 regulatory fees for Abiquiu Village TV Association's television translator system were waived pursuant to the Commission's ruling in Implementation of Section 9 of the Communications Act, FCC 95-257 at ¶ 16, released June 22, 1995. Please be advised that consistent with our ruling of February 1, 1996, the Association's regulatory fees for FY 1996 are waived. The waiver shall remain in effect for future fees unless there is an assignment of the Association's licenses, or a substantial change in its ownership or method of financing should occur. You should retain this letter, and a copy should be included in any correspondence with the Commission concerning the imposition of any regulatory fees for the translators.

If you have any questions concerning the waiver, please call the Chief, Fee Section, at (202) 418-1995.

Re: Petition for Waiver
Fee Control No.: 00000RROG-02-002

Dear Counsel:

This letter is in response to your request, submitted on behalf of Advanced Radio Telecom Corp. (ART), for waiver pursuant to Section 1.1117 of the Commission's Rules, 47 C.F.R. § 1.1117, of application fees in the amount of \$43,465.00 in connection with the filing of applications seeking a pro forma transfer of control to facilitate its reorganization under Chapter XI of the Bankruptcy Code (ULS File Nos. 0000623524, 0000623492, & 0000623472). You also seek a waiver of the provisions of Section 1.1117(e) of the Commission's Rules, 47 C.F.R. § 1.1117(e), which would ordinarily require submission of the fees along with both the transfer of control applications and the request for waiver of the application fees.

You state that ART is filing pro forma transfer of control applications to facilitate its reorganization under Chapter XI of the Bankruptcy Code and that the public interest would be served by not requiring ART, which is in bankruptcy proceedings, to convey to the FCC assets that are needed for ongoing operations and that are otherwise expected to be available to satisfy innocent creditors when ART's debts are settled.

Section 1.1117 of the Commission's Rules, 47 C.F.R. § 1.1117, provides that regulatory fees may be waived upon a showing of good cause and a finding that the public interest will be served thereby. We find that ART's filing of a Chapter XI petition in bankruptcy court substantiates its claim of financial hardship and demonstrates good cause for waiver of the filing fees. See Implementation of Section 9 of the Communications Act, 10 FCC Rcd 12759, 12762 (1995) (evidence of bankruptcy or receivership sufficient to establish financial hardship for purposes of waiver of regulatory fees). Therefore, your requests for waiver of the provisions of Section 1.1117(e) and for waiver of application filing fees in the amount of \$43,465.00 are granted.

If you have any questions concerning this letter, please contact the Revenue and Receivable Operation Group at (202) 418-1995.

Sincerely,

ULS File Nos. 0000623524, 0000623492 & 0000623472

Dear Ms. Salas:

On behalf of Advanced Radio Telecom Corp. ("ART") and its wholly owned subsidiaries ART Licensing Corp. ("ART Licensing") and DCT Telecommunications, Inc. ("DCT"), we are requesting a waiver under Section 1.1117(e) of the Commission's rules of the requisite filing fees associated with the referenced transfer of control applications. The licensees are filing transfers of control applications to facilitate its reorganization under Chapter XI of the Bankruptcy code and, accordingly, requests a waiver of the filing fees due to financial hardship.

Section 1.1117 of the Commission's rules provides that filing fees may be waived upon a showing of good cause and a finding that the public interest will be served thereby. The financial status of ART provides good cause for the waiver of the filing fees. In the Commission's Implementation of Section of the communications Act Assessment and Collection of Regulatory Fees for the 1994 Fiscal Year Order the Commission determined that "evidence of bankruptcy is sufficient to establish financial hardship." Additionally, a waiver of the filing fees will serve the public interest by enabling ART to preserve assets that will accrue to the benefit of innocent

1. 47 C.F.R. Section 1.1117(e) requires an applicant seeking a waiver to submit the fee with the application and request for a waiver and provides for the reimbursement of the fee if the waiver is granted.

2. Implementation of Section 9 of the Communications Act Assessment and Collection of Regulatory fees for the 1994 Fiscal Year, 10 FCC Red. 12759, 12762 (1995) (hereinafter Implementation Order). creditors.³ The filing fees for the *pro forma* transfer total \$43,465, which is a significant resource that is needed to preserve ongoing operations and could otherwise be used to satisfy the claims of innocent creditors. Thus, ART's circumstances support a waiver of the filing fees.

Waiver is also warranted by the "unique and unusual circumstances" criteria set forth in Section 1.925 of the rules. Here, a waiver of the filing fees is in the public interest as the fees are significantly disproportionate to the scale and scope of review required for the applications. There are approximately 800 licenses at issue. The economies of scale present whenever any action is taken 800 times cause a reduction in filing fees to be warranted. Indeed, in view of these very same facts, waiver has already been granted in ULS File Nos. 0000495196, 0000495058, and 0000495098.

In the event that you have any questions with respect to this matter, please contact the undersigned directly.

Re: American Cellular Corporation
Amended Fiscal Year 2000 Regulatory Fee Filings
Fee Control No. 0103128835050001

Dear Ms. Feigen and Mr. Zehner:

This is in response to your request dated March 9, 2001, filed on behalf of American Cellular Corporation (ACC) for a refund of the \$3,203.78 fiscal year 2000 regulatory fees associated with ACC's affiliated licensees providing commercial wireless services, which were paid on September 20, 2000. You also request a waiver and refund of the \$35,365.00 late charge penalty submitted with ACC's amended fiscal year 2000 regulatory fee filing submitted on March 8, 2001. The total amount of the refund that you request is \$38,568.78.

In your request, you state (and our records reflect) that on September 20, 2000 (the date on which the fiscal year 2000 regulatory fees were due), ACC filed fiscal year 2000 regulatory fees in the amount of \$3,203.78 on behalf of its affiliated licensees providing commercial wireless services. You state that in the course of a subsequent internal audit, ACC discovered that it had inadvertently failed (among other things) to list all the call signs related to its affiliated licensees on the fiscal year 2000 regulatory fee filings and, as a result, that it had underpaid the regulatory fees for that year. On March 8, 2001, our records reflect that ACC filed amendments to the fiscal year 2000 regulatory fee filings and submitted the appropriate regulatory fee payment of \$141,460.00 for all of its interests, along with a late charge penalty fee of \$35,365.00. You assert that a waiver of the late payment fee is appropriate because ACC's original submission on September 20, 2000 was timely (albeit incorrect) and because ACC corrected the original payment error and has acted in good faith in its efforts to pay the regulatory fees in a timely manner.

Because ACC paid the full fiscal year 2000 regulatory fee of \$141,460.00 on March 8, 2001, we find that it is appropriate to refund the \$3,203.78 that ACC submitted in connection with its September 20, 2000 regulatory fee filing. *See* 47 C.F.R. §1.1160(a)(1). With respect to ACC's request for a refund of the late charge penalty, the Communications Act of 1934, as amended, requires the Commission to assess a late charge penalty of 25 percent on any regulatory fee not paid in a timely manner. It is the obligation of the licensees responsible for regulatory fee payments to ensure that the Commission receives the fee payment no later than the final date on which regulatory fees are due for the year. Your request does not indicate or substantiate that ACC met this obligation. Therefore, your request for waiver and refund of the late charge penalty for late payment of the fiscal year 2000 regulatory fees is denied.

Accordingly, we grant your request for a refund of the \$3,203.78 fiscal year 2000 regulatory fees paid on September 20, 2000. We, however, deny your request for a waiver and refund of the \$35,365.00 late charge penalty submitted with ACC's amended fiscal year 2000 regulatory fee filing submitted on March 8, 2001. A check made payable to the maker of the original check, and drawn in the amount of \$3,203.78, will be sent to you at the earliest practicable time. If you have any questions concerning this matter, please contact the Revenue & Receivables Operation Group at (202) 418-1995.

Sincerely,

 Mark A. Reger

Re: *American Cellular Corporation
Amended Fiscal Year 2000 Regulatory Fee Filings*

Attn: Regulatory Fee Waiver/ Refund Request

Dear Sir/ Madam:

American Cellular Corporation ("ACC"), by its attorneys, hereby requests a refund of its original payment of regulatory fees submitted in September, 2000, and waiver and refund of the 25% monetary penalty submitted March 8, 2001. The total amount of the refund requested is \$38,568.78.

By way of background, on September 20, 2000, ACC timely filed its FY 2000 Regulatory Fees on behalf of related licensees providing Commercial Wireless services. ACC submitted a total of \$3,203.78 on behalf of its affiliated entities as payment for regulatory fees for FY 2000. As the result of an internal audit, ACC has discovered that inadvertent errors were made when completing the regulatory fee filings. In some instances, ACC listed an incorrect payment type code, listed improper licensee names and/or Taxpayer Identification Numbers ("TIN's"), and failed to properly list all call signs related to the licensee.

Accordingly, on March 8, 2001, ACC submitted an amended Form 159 and Forms 159-C to the Commission in Pittsburgh, Pennsylvania. The amended forms properly list the payment type code for CMRS providers, the correct TINs, and include all associated call signs. Furthermore, ACC submitted the appropriate regulatory fee payment of \$141,460.00, and a 25% monetary payment of \$35,365.00. Although ACC timely filed its original regulatory fee payment

Office of the Managing Director

March 9, 2001

for FY 2000, the 25% monetary penalty was included in the payment out of an abundance of caution.¹

As ACC's original submission, although incorrect, was timely, ACC respectfully requests that the Commission refund its regulatory fee payment of \$3,203.78 made in September, 2000. Moreover, due to its attempt to timely file its Regulatory Fees, its attempt to remedy the incorrect filing upon discovery, and the fact that it has at all times acted in good faith in its efforts to pay regulatory fees as they come due, ACC further requests that the Commission waive the 25% monetary penalty and refund the related payment of \$35,365.00.

Based on the foregoing, ACC requests a refund of its original payment and a waiver and refund of the monetary penalty. ACC has demonstrated the good cause required by section 1.1166, 47 C.F.R. § 1.1166, and section 1.1160(a)(3), 47 C.F.R. § 1.1160(a)(3), of the Commission's rules and a refund is in the public interest. The public interest is best served by encouraging carriers to disclose and correct errors.

Should you have any questions concerning this submission, kindly contact the undersigned.

Sincerely,

WILKINSON BARKER KNAUER, LLP
