PETITIONER's COMMENTS

Please accept these comments as restated below from  
Proponents original petition.

DISCUSSION

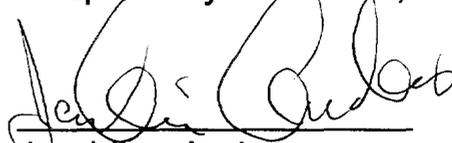

Petitioner respectfully submits that the public interest would be served by allocating Channel 294A to Early, Texas, as that community's first aural broadcast transmission service. Early is an incorporated city with a population of 2,619 people as of January 1, 1998 according to the Texas State Data Center. Early has its own mayor, James Lewis, its own fire department, its own post office, its own school system, its own City Hall and a number of local churches.

Should this petition be granted, and Channel 294A be allotted to Early, Texas Petitioner will apply for Channel 294A, and after it is authorized, will promptly construct the new facility.

The information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
