The Honorable Michael Powell
Chairman

Dear Chairman Powell,

I want to thank you for extending me an invitation to meet with Mr. Peter Tenhula of your office on December 5, 2001.

As you know, the wireless world is growing rapidly in size and importance. We feel that it would be a mistake to provide the means for competitive access to directory assistance and information service providers *only* in the wireline arena. We provided Mr. Tenhula with an appropriate amount of support for our position and are satisfied that he heard what we had to say.

Again, thank you. We look forward to the follow-up that Mr. Tenhula indicated would be forthcoming.

Sincerely,

Timothy A. Timmins
