PETITION TO SAVE PITTSBURGH PUBLIC TELEVISION

To the Federal Communications Commission:

We urge you to reject the petition of WQED Pittsburgh to commercialize and sell sister station WQEX to ShootingStar, Inc. This community asset must be preserved for noncommercial educational broadcasting.

We also strongly object to WQED's more than three years of simulcasting WQED's programs on WQEX. We urge the FCC to grant the pending petition for reconsideration and deny WQED's license renewal in view of this waste of spectrum.

We also support the efforts of Pittsburgh Educational Television (PET) to organize a viable alternative that will restore community responsive public broadcasting on Channel 16 as soon as possible.

We urge you to reject the petition of WQED Pittsburgh to commercialize and sell sister station WQEX to ShootingStar, Inc. This community asset must be preserved for noncommercial educational broadcasting. Pittsburgh is still a thriving city and WQEX was a very popular alternative. We do not need yet another commercial station.

We do not accept the empty promise of more digital channels. WQED already plans to use some of them for commercial purposes. WQED's external debts were self-inflicted and are now much smaller. Moreover, WQED has admitted to the FCC that its debts do not threaten its broadcast operations.

Permitting WQED to cash in our educational station for a \$20 million windfall would set a dangerous precedent for other reserved channels as well. If WQED no longer wants to provide programming on Channel *16, please invite applications from other noncommercial educational organizations.

We do not need yet another commercial station.

We do not accept the empty promise of more digital channels. WQED already plans to use some of them for commercial purposes. WQED's external debts were self-inflicted and are now much smaller. Moreover, WQED has admitted to the FCC that its debts do not threaten its broadcast operations.

Permitting WQED to cash in our educational station for a \$20 million windfall would set a dangerous precedent for other reserved channels as well. If WQED no longer wants to provide programming on Channel *16, please invite applications from other noncommercial educational organizations.

FCC MAIL ROOM PETITION TO SAVE PITTSBURGH PUBLIC TELEVISION

To the Federal Communications Commission:

We urge you to reject the petition of WQED Pittsburgh to commercialize and sell sister station WQEX to ShootingStar, Inc. This community asset must be preserved for noncommercial educational broadcasting. Pittsburgh is still a thriving city and WQEX was a very popular alternative. We do not need yet another commercial station.

PETITION TO SAVE PITTSBURGH PUBLIC TELEVISION

FCC MAIL ROOM

To the Federal Communications Commission:

We urge you to reject the petition of WQED Pittsburgh to commercialize and sell sister station WQEX to ShootingStar, Inc. This community asset must be preserved for noncommercial educational broadcasting.

We also strongly object to WQED's more than three years of simulcasting WQED's programs on WQEX. We urge the FCC to grant the pending petition for reconsideration and deny WQED's license renewal in view of this waste of spectrum.

We also support the efforts of Pittsburgh Educational Television (PET) to organize a viable alternative that will restore community responsive public broadcasting on Channel 16 as soon as possible.
