**Re: *Developing a Unified Intercarrier Compensation Regime – CC Docket No. 01-92
Sprint and AT&T Petitions for Declaratory Ruling on CMRS Access Charge Issues –
WT Docket No. 01-316***

Dear Ms. Salas:

On January 17, 2002, Doug Brandon of AT&T Wireless and I met with the following staff with regard to the above-captioned proceedings: Thomas Navin, Deputy Division Chief; Gregory Vadas, Attorney; Elias Johnson, Attorney; Joseph Levin, Senior Economist; Stacy Jordan, Economist, all of Wireless Telecommunications Bureau/Policy; and Steven Morris, Attorney, Common Carrier Bureau/Competitive Pricing. AT&T reiterated its support for the Commission to adopt bill and keep for all calls that originate or terminate with a CMRS provider, regardless of whether the calls are "local" or "long distance," as outlined in our comments filed in this proceeding. Pursuant to Sections 1.1206(b)(1) and (2), we have filed this notice electronically in the dockets referenced above.

Please direct any questions regarding this matter to the undersigned or to Douglas Brandon at (202) 223-9222.
