Re: Errata In the Matter of Performance Measurements and Standards for Unbundled Network Elements and Interconnection; and Performance Measurements and Reporting Requirements for Operations Support Systems, Interconnection, and Operator Services and Directory Assistance CC Docket No. 01-318 and 98-56

Dear Mr. Caton:

On January 22, 2002, SBC Communications Inc. timely filed Comments in the above referenced proceedings. Some of the headings and footnotes in those Comments contained formatting errors. In light of those errors SBC decided to defer filing a Table of Contents until those errors could be corrected. Attached please find a corrected version of the Comments with a Table of Contents. This corrected version also omits subsections VI.F.1- 5 of SBC's original Comments which duplicates subsection VIII.C.1-6 of this corrected version. Please substitute this corrected version in the record for the version filed on January 22, 2002.

Thank you for your attention in this matter. If you have any questions, feel free to contact me.

Very truly yours,

/s/ Juanita Harris
