Re: EX PARTE -- CC Docket No. 01-324: Application by Verizon for
Authorization to Provide In-Region InterLATA Services in Rhode Island

Dear Mr. Caton:

On February 13, 2002, Donna Sorgi, Joan Campion and I, on behalf of WorldCom, Inc., met with Matthew Brill, legal advisor to Commissioner Abernathy to discuss this docket and specifically why UNE rates in Rhode Island are not TELRIC and why Verizon cannot rely on old New York UNE rates as a benchmark, especially since the New York Commission recently reduced those rates significantly as set forth on the attached documents.

Pursuant to the Commission's rules, I am filing an electronic copy of this letter and request that it be placed in the record of this proceeding.

Sincerely,

Robert C. Lopardo
Director
Federal Advocacy
