Re: Petition for Rulemaking
Radio Station WMNR (FM)
New Martinsville, West Virginia

Dear Mr. Caton:

On January 11, 2002, Seven Ranges Radio Company, Inc. filed a petition for rulemaking that proposed that the re-allotment of Channel 222A from New Martinsville, West Virginia to Paden City, West Virginia and the modification of the license of Radio Station WNMR to specify Paden City as the city of license. No changes in the WNMR facilities were proposed. In response to the staff request, Seven Ranges has prepared the attached channel study which indicates that the proposed allotment will meet all minimum distance separations.

Please refer any questions concerning this matter to this office.

Sincerely,

John Crigler
