Re: DA 01-2479, Florida Public Service Commission Petition of Expedited Decision for Authority to Implement Thousands-Block Number Pooling in the 941 NPA

Dear Ms. Attwood:

I would like to take this opportunity to thank you and your staff, especially Diane Harmon, Jeff Carlisle, Jennifer Gorny, Cheryl Callahan, and Sanford Williams, for the hard work and thorough analysis regarding our petition for authority to implement a state number pooling trial in the 941 NPA in Southwest Florida. The FPSC considers thousands-block number pooling an integral part of our number conservation effort to ensure that the numbering resources in the North American Numbering Plan are used efficiently.

Our staff is presently assessing dates for the 941 NPA pooling trial which will be presented to our Commission for formal approval. Once again, thank you for the hard work and interaction with our staff to bring about a pooling trial in the 941 NPA.

Sincerely,

E. Leon Jacobs, Jr.
Chairman
