Dear Ms. Pyeatt:

This is in response to the Petition for Rule Making you filed on August 24, 2001, requesting the allotment of Channel 277C2 at Buffalo, Oklahoma.

On October 22, 2001, you submitted a motion to dismiss the petition for rule making and your expression of interest for an FM allotment at Buffalo, Oklahoma. The motion to dismiss included an affidavit stating that you did not receive any consideration in excess of legitimate and prudent expenses in connection with your request for dismissal of the proposal.

Based on the above discussion, we are returning your proposal for Buffalo. No further consideration will be given for an FM allotment at Buffalo, Oklahoma.

Sincerely,

John A. Karousos  
Chief, Allocations Branch

PETITION FOR RULE MAKING

Pursuant to 47 C.F.R. 1.401, Katherine Pyeatt respectfully petitions the FCC to institute a Rule Making proceeding to amend the FM Table of Allotments to add Channel 277C2 at Buffalo, Oklahoma.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 277C2 to Buffalo, Oklahoma, as that community's first aural broadcast transmission service. Buffalo is an incorporated city with a population exceeding 1,200 people. Buffalo has its own mayor, Cristina Richards, its own post office, its own school district, its own fire department, its own city hall and a number of local churches.

Should this petition be granted, and Channel 277C2 be allotted to Buffalo, Oklahoma Petitioner will apply for Channel 277C2, and after it is authorized, will promptly construct the new facility.

The information provided in this Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,
