To Whom It May Concern:

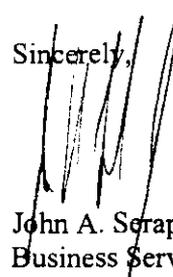

This letter is an appeal of your "Administrator's Decision on Appeal - Funding Year 2001-2002" letter dated November 19, 2001 and addressed to the Waldwick School District. This appeal is for funding Year 4, which covers the period from July 1, 2001 to June 30, 2002. Our billing entity number is 122855. The Form 471-application number for Waldwick School District is 256981.

I am the contact person for the Waldwick School District. My name is John Serapiglia. I can be reached by telephone at 201-343-6000 - extension 4058. My address is 327 East Ridgewood Avenue, Paramus, New Jersey 07652. My e-mail address is [johser@bergen.org](mailto:johser@bergen.org).

This is our second appeal for FRN (643475), which is for Internet Access. In the "Administrator's Decision on Appeal" it was stated that we "had no binding agreement with the vendor for this service." The truth of the matter is, we did. We had a contract with Intac Access Corporation. The confusion is over timing. Waldwick already had a month-to-month contract in place with Intac. When Waldwick applied for E-rate, the belief was it was going to switch ISP's to Bergen Tech. But the switch never occurred. So Intac was always the ISP for the district. To imply that there was no contract is just wrong. I have included the original letter I sent to Schools and Libraries that indicated all of this.

If you require any additional information, please feel free to contact me at 201-343-6000 extension 4058.

Sincerely,

  
 John A. Serapiglia Jr.  
 Business Service Coordinator

Re: SPIN Change Request for Waldwick School District

To Whom It May Concern:

This letter is to inform that the SPIN number for the Internet Service Provider (ISP) for Waldwick needs to be changed. On the application I had listed that Bergen County Technical Schools (BCTS) would be the ISP for Funding Year 4. Now I am changing it to Intac Access Corporation. Here is what happened. Originally, Intac Access Corporation was the ISP for Waldwick. As we were preparing the E-rate application, there was to be a motion presented before the Board to have BCTS become the ISP. We thought the motion would pass so I listed BCTS as the ISP for Waldwick on the E-rate application. But after I sent the application in, the motion was never brought before the Board. So Waldwick never actually changed ISP's, as this SPIN change request would indicate. I have attached a copy of the general agreement. Here is the rest of the information that you need:

- Form 471 Application Number: 256981
- Billed Entity Number: 122855
- FRN Number needing change: 643475
- Original Service Provider: Bergen County Technical School
- Original Service Provider SPIN: 143008786
- Service Provider Name: Intac Access Corporation
- Service Provider SPIN: 143007014
- Effective date of change: Not really applicable, There was no changeover date. We never changed ISP's.
