Section 2

Local Area 911 Implementation

List all individual local areas covered by this report (e.g., Lee County, Virginia):

Atkinson County, GA

Cook County, GA

Dooly County, GA

Treutlen County, GA (not listed on FCC Order)

Coffee County, GA (not listed on FCC Order)

Turner County, GA (not listed on FCC Order)

(a) For each area listed above, identify the emergency response point to which 911 calls will be routed.

Subsequent to the issuance of the FCC's Order in December 2001 regarding 911 calls, we are unaware of any activity by Atkinson, Cook, Dooly, Treutlen, Coffee or Turner Counties in the State of Georgia to establish a PSAP or other emergency response point to which 911 calls will be routed. In accordance with the Commission's Order, Plant Telephone Company will initiate efforts before the Georgia Public Service Commission to determine how best and reasonably to provide the desired services.

(b) For each area listed above, provide details of the carrier's progress in completing translation and other work necessary to route 911 calls to the identified emergency response point.

See response to (a) above.

(c) For each area listed above, provide the date or projected date that transition to the 911 abbreviated dialing code will be completed.

Pursuant to the Commission's Order, Plant Telephone Company will make every effort to complete the transition to 911 abbreviated dialing by September 11, 2002, or within 9 months of the State of Georgia's designation of a PSAP.

Section 3

911 Implementation Problems

(a) Describe any problems the reporting carrier has encountered in identifying 911 number call routing points. Describe any other operational problems carrier has experienced during the initial transition stages.

No request has been received from the counties to implement 911 service.

(b) Where the reporting carrier has experienced 911 implementation problems, describe any efforts the carrier has made to coordinate with public safety agencies and state and local authorities.

Section 4
