Please accept these comments as restated below from Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 244C2 to Turkey, Texas, as that community's first aural broadcast transmission service. Turkey is an incorporated city with a population exceeding 550 people. Turkey has its own mayor, Pat Carson, its own post office, its own school district, its own volunteer fire department, its own city hall and a number of local churches.
