PETITION FOR RULE MAKING

Maurice Salsa (Petitioner), pursuant to 47 C.F.R. 1.401, hereby requests the commission to amend section 73.202 (b) of its rules, the FM Table of Allotments, to allot channel 227A (93.3 Mhz) at Sedan, Kansas.

DISCUSSION

Sedan, Kansas is an incorporated community with a population exceeding 1,340 people. Petitioner respectfully submits that the public interest would be served by allocating Channel 227A to Sedan, Kansas as that community's first aural broadcast transmission service. Sedan has its own mayor, Gordon Willhite, its own post office, its own fire department, its own school district, its own city hall and a number of local churches. The proposed channel 227A will provide additional diversity and an outlet for local self-expression to Sedan residents and therefore is in the public interest.

Attached hereto is a channel study confirming that Channel 227A can be allocated to Sedan, Kansas consistent with the FCC's FM separation rules. See revision of FM Assignment Policies and Procedures, 90 FCC 2d 88 (1992).

Reference coordinates are:

37 05 38 N  
96 16 42 W

Petitioner hereby states that if the commission grants this petition, he will apply for the channel when it is allotted, and, if his application is granted, he will promptly build the station.

WHEREFORE, for the foregoing reasons, Petitioner respectfully requests the commission to grant this petition and to allot channel 227A to Sedan, Kansas.

The information provided in this Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,

By:
