PETITIONER's COMMENTS

Please accept these comments as restated below from Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 246A to **Roscommon**, Michigan, as that community's first competing commercial FM service. **Roscommon** is a township with a population in excess of 1,000 people. **Roscommon** has its own village manager, Mike Freer, its own school system, its own post office, its own volunteer fire department, its own township hall and a number of local churches.

Should this petition be granted, and Channel 246A be allotted to **Roscommon**, Michigan Petitioner will apply for Channel 246A, and after it is authorized, will promptly construct the new facility.

The information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
