Dear Sirs:

RE: CC Docket Nos. 96-45 and 97-21/for appeal to the FCC

We recently received another card from the Schools and Libraries Division. The first time they stated that they received our Form 471 application and the Block 6 certification and the Item 21 attachments were postmarked after January 18, 2001.

We appealed that decision and sent them a copy of the certified mail receipts showing both items were received by January 16, 2001. The receipts were signed by Pearson Agent.

Then I got another card from them stating that they didn't receive the Item 21 attachment, at that time I sent it to them again. Now I got another notice from them stating that the processing of our application was stopped, because Item 21 attachment was not submitted, which we sent to them twice.

This isn't the first time we have had trouble with them losing our paperwork for Erate Year 2. They said they got the Form 471, but they couldn't find it, it was somewhere in the plant. We didn't get it that year either. I didn't appeal but this year I am appealing to you. Please help us with this matter, we are sending you copies of each of our earlier appeals and items.

Form 471 Application Number: 233483
Funding Year 4: 07/01/2001 – 06/30/2002
Billed Entity Number: 137499
Attachment Item #21 Breaks down costs for each FRN- the type of phone service and how much. As you can see our Item #21 does.

Thanks for your help.

Re: Form 471 Application Number: 233483
Funding Year 4: 07/01/2001 – 06/30/2002
Billed Entity Number: 137499

You may have received a pink postcard during this past summer stating that your FCC Form 471 application referenced above did not meet the filing requirements for the 2001-2002 Schools and Libraries filing window. Your application and its certification page were received within the filing window, but we have no evidence that an Item #21 Attachment for this application was included. The Item # 21 Attachment is a filing requirement and must accompany your application.

After consultation with FCC staff, SLD has decided that it should provide applicants an opportunity to resend the Item #21 Attachment where we have no record of having received an attachment if:

- The FCC Form 471 application itself DID meet the filing deadline (paper postmarked by January 18, 2001 or online filing completed on that date or earlier),
- SLD DID receive the FCC Form 471 certification from the applicant postmarked by January 18, 2001 and
- The applicant maintains that it DID submit the Item # 21 attachment and is willing to so certify.

If you did send the Item #21 Attachment for this application with a postmark date on or before January 18, 2001 (and you received a pink postcard), you may send us a certification along with another copy of the Item #21 Attachment for this application. We will then process the application as one meeting the window filing requirements. If SLD detects false certifications, the certifications will be rejected and other enforcement actions may be taken against the applicant.

If you did NOT include an Item # 21 Attachment with your original application, no action is required and your application will be denied for failing to meet the filing requirements.

To certify that you sent SLD an Item # 21 Attachment, provide an original signed letter on school/library letterhead, signed by the authorized signer of the above mentioned Form 471, containing the following:

“We/I certify that the enclosed attachments for Form 471 # _____ were sent to SLD and postmarked on or before the close of the Fund Year 4 window, January 18, 2001.”

Mail your certification letter and attachments to:

Item #21 Attachment
Schools and Libraries Division
Box 125-Correspondence Unit
80 South Jefferson Road
Whippany, NJ 08981.

Certifications must be postmarked on or before November 26, 2001. Once your certification and Item #21 Attachment is received, your application will be processed in the normal manner. Letters of certification and/or attachments postmarked after November 26, 2001 or submitted by fax or e-mail WILL NOT be processed and the application WILL BE DENIED for failing to meet the filing requirements.

We have received your appeal concerning this issue for the application referenced above. Because you have the opportunity to resolve your issue through the above process, your current appeal will not be addressed.

Should you have any questions, please call the Client Service Bureau at 1-888-203-8100 or visit our website at www.sl.universalservice.org.

Thank you for your continued support of the Schools and Libraries program.

Sincerely,

George McDonald
