

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

Please Please don't take the ability of my little ISP to not be able to offer DSL. I really enjoy doing business with a hometown business and having the personal service that they can provide. DSL is so needed for online growth and not letting all ISP's have a chance to offer it would be a crying shame.

Sincerely,
