Re: CC Docket No. 02-35

Dear Ms Dortch:

On April 17, 2002, BellSouth filed an ex parte letter responding to requests for specific information from the Wireline Competition Bureau staff reviewing BellSouth's pending 271 Application for Georgia and Louisiana. I am filing this letter to correct an error appearing on the last line of the first paragraph on page 4 of that letter. That line should read: "0.5% of all CLEC orders and less than 1% of BellSouth retail orders are affected."

In accordance with Section 1.1206, I am filing two copies of this notice and the accompanying attachments and request that you please place them in the record of the proceeding identified above.

Sincerely,

A handwritten signature in cursive script that reads "Kathleen B. Levitz".
