Re: *Ex Parte* Presentation in WT Docket No. 99-168 & IN Docket No. 01-74  
(Auctions 31 & 44).

Dear Ms. Dortch:

On Tuesday, April 30, 2002, Steve Sharkey and Rich Barth of Motorola, Inc. and I met with Commissioner Kevin Martin and Sam Feder of his staff to discuss the above-referenced proceedings regarding Auctions 31 and 44.

The purpose of this meeting was to discuss requests for a delay in the 700 MHz auction and the legal authority that the Commission has to postpone that auction. The substance of the discussion is contained in a paper entitled "Postponement of the 700 MHz Auctions," previously filed in the record of these proceedings, and a copy of the paper was left with each of the Commission participants.

An original and one copy of this letter are being provided for inclusion in the docket. If you have any questions or need any additional information, please let me know.

Sincerely,

Mary Jo Manning
