Re: Notice of Ex Parte – CC Dockets 96-262 and 94-1 Cost Review Proceeding for Residential and Single-Line Business Subscriber Line Charge Caps

Dear Ms. Dortch,

Yesterday, on behalf of Sprint, I sent the attached materials to Kyle Dixon, Legal Assistant to Chairman Powell. These materials support Sprint's cost submission as well as Sprint's comments in this proceeding. The scheduled SLC cap increases are cost justified and justified by the legal and pro-competitive policy need to eliminate implicit subsidies.

In accordance with FCC rules, this letter is being filed electronically in the docket identified above. Please call me if you have any questions. Thank you.

Sincerely,
/s/
Pete Sywenki
