Re: AIT FOC Performance Measure

Dear Carol:

SBC is currently measuring and reporting FOC performance at 60 minutes. As you're aware, we have requested permission to set this interval at 120 minutes in AIT due to system constraints. This letter confirms that SBC is offering to commit to the 120 minute FOC in AIT.

Sincerely,

A handwritten signature in black ink that reads "Caryn Moir". The signature is written in a cursive, flowing style with a prominent loop at the end of the name.
