<p>Welcome to the City of Wheat Ridge. Every business in the City of Wheat Ridge is required to have a Sales/Use Tax License. There is a one time registration fee of \$5.00, and an annual \$10.00 fee for your sales tax license. <u>All business licenses are renewed annually on January 1, no matter what month your original license was issued.</u></p> <p>If you have a Wheat Ridge business location, your application will be processed through and approved by the Zoning Department. Sometimes a location in Wheat Ridge may not be zoned for the use you intend, therefore prior to signing any lease/rent agreements, please stop by or call the Zoning Department 303.235.2851. Depending of the type of business (for example, precious stones, firearms, massage therapists, etc.) your example may additionally be processed through the Police Department prior to issuance of license. After applicable approvals have been made, our license will be issued by the Sales Tax Division.</p> <p>Home businesses, whether service or retail, are also required to have a Sales/Use Tax License. Home</p>		<p><b>USE TAXES</b> A Use Tax is due on all business items where a City Sales Tax has not been paid. This would include (but not limited to) purchases you have made directly, or from the previous owner, like furniture, fixtures, equipment, etc. Reference your purchase agreement for the value of tangible personal property. This amount is subject to the City's 2.5% Use Tax. For new purchases, check (and save) invoices to insure that a City Sales Tax was paid. If the tax paid on any item is less than 6.8%, the City Sales Tax has not been paid. This generally occurs when you mail order an item or have an item delivered to your location.</p> <p>If you convert a personal asset to a business asset, it must be declared at fair market value and the 2.5% Use Tax paid on that amount.</p> <p>All items you are leasing or renting are subject to the 2.5% Use Tax for the duration of the lease/rent period.</p> <p>The difference between Sales and Use Tax: Sales Tax is based on monies received from engaging in a</p>

Licensing generally takes 2-5 days. Sales/Use Tax Licenses are not transferable; please notify the Sales Tax office if you sell or close the business.

Applications for a Sales/Use Tax can be obtained from the City Treasurer's Office by calling 303.235.2820. We can mail or fax your application, or you can download the application from this website (coming soon). Applications are also available at the City Municipal Center, 7500 W. 29th Ave, Wheat Ridge, CO 80215.

Return the Sales/Use Tax General Business License application to the Tax Office. Answer all questions completely. One of the most common omissions is line 12. This information is important in identifying authorized agents of the business. Information on Line 12 as well as emergency or home phone numbers are confidential and only available to tax department personnel.

taxable retail business in the City. Use tax is based on the purchase of tangible personal business property which is used, stored or consumed in the City and for which sales tax was not paid to the City.

After the initial Use Tax obligation has been met, you will report Use Tax on your regular Sales/Use Tax Return. Use Tax must be paid on all items where you are the final consumer-including but not limited to: office supplies, equipment, subscriptions, trade journals, stock purchased for resale and converted to personal use, etc.

Once you have begun operations, you will receive a Sales/Use Tax Return at the reporting interval you have requested (or been assigned). These returns along with payment are due by the 20th of the month, following tax liability period. To be on time, the return must be in the tax office or postmarked by the 20th of the month. If payment is late your account is assessed penalty and interest. The minimum penalty is \$15.00 or 10% of the amount on Line 5 of the Return, whichever amount is greater. Interest is assessed at the rate of 1% per month.
