Re: EX PARTE ERRATUM -- WC Docket No. 02-67: Application by Verizon for
Authorization to Provide In-Region InterLATA Services in New Jersey

Dear Ms. Dortch:

On June 11, 2002, WorldCom filed two ex partes in the above docket and submitted identical attachments that were used in meetings on that day. One of the attachments was an Excel bar chart that was rejected by the electronic filing system due to the document automatically looking for associated files to update the chart. We have converted the Excel chart to Word to avoid this problem and resubmit it with this letter for filing with the ex parte concerning our meeting with Mr. Goldstein.

Pursuant to the Commission's rules, I am filing an electronic copy of this letter and request that it be placed in the record of this proceeding.

Sincerely,

Keith L. Seat
