Vinton, Louisiana
Page 2

Attached hereto is a channel study confirming that Channel 287A can be allocated to **Vinton**, Louisiana, consistent with the FCC's FM separation rules. See revision of FM Assignment Policies and Procedures, 90 FCC 2d 88 (1992). Note: KZWA now holds a construction permit (issued 7/26/01) to move to city of license at Moss Bluff Channel 285C3. Pursuant to Docket No. 99-26, Report & Order released September 8, 2000, KZWA was ordered to move from 287C2 Lake Charles to 285C3 Moss Bluff making this spacing available. In fact, KZWA has changed frequency and they are now operating at 104.9. There are no other preclusion's.

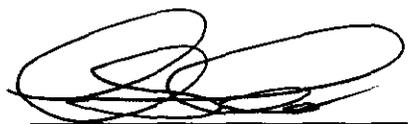

Reference coordinates are:

30 11 28 N
93 34 03 W

Should this petition be granted, and Channel 287A be allotted to **Vinton**, Louisiana Petitioner will apply for Channel 287A, and after it is authorized, will promptly construct the new facility.

The information provided in this Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,
