Dear Mr. Salsa:

This is in response to your withdrawal of expressions of interest in, and requests for dismissal of, various rule making proceedings, as enumerated in the Attachment. In accordance with the requirements of Section 1.420(j) of the Commission's Rules, you have provided affidavits for each dismissal request stating that you have not received, nor will receive, any money or other consideration in excess of legitimate and prudent expenses in exchange for the requested withdrawal of your expressions of interest and dismissal requests.

In consideration of Commission policy which refrains from considering rule making proposals absent *bona fide* expressions of interest, your requests for dismissal of the rule making proposals described in the Appendix are granted and those rule making proposals are dismissed.

Sincerely,

John A. Karousos  
Assistant Chief, Audio Division  
Office of Broadcast License Policy  
Media Bureau
