Re: Application by Verizon-New Jersey Inc. for Authorization to Provide In-Region, InterLATA Services in the State of New Jersey, Docket 02-67

Dear Ms. Dortch:

On Friday, June 21, 2002, AT&T electronically filed a written ex parte in the above-referenced proceeding. The attachments to that ex parte included a television commercial formatted in Windows Media, a file type that cannot be submitted via the Commission's Electronic Comments Filing System ("ECFS"). Although the Windows Media file was provided to your office via email on June 21, 2002, per a subsequent conversation with a representative of your staff, AT&T is resubmitting the commercial in VHS format for inclusion in the record of this proceeding.

One copy of this Notice is being submitted to the Secretary of the FCC in accordance with Section 1.1206 of the Commission's rules. Please contact me if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Amy L. Alvarez".
