PETITIONER'S COMMENTS

Please accept these as Petitioner's Comments as restated from the original NPRM.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 274A to Centerville, Texas, as that community's third aural broadcast transmission service. Should this rule making be granted, and Channel 274 A be allotted to Centerville, Texas Petitioner will apply for Channel 274 A and after it is authorized, will promptly construct the new facility. The above information is true and complete to the best of my knowledge.

Respectfully submitted,

David P. Garland
