**Re: Application of Qwest Communications International, Inc.
To Provide In-Region InterLATA Services in the States of
Colorado, Idaho, Iowa, Nebraska and North Dakota,
Docket No. 02-148**

Dear Ms. Dortch:

In response to a request from the Department of Justice staff, on Thursday, July 11, 2002, Qwest provided the attached confidential document to the Department of Justice as documentation for Qwest's statement regarding the number of CLECs that have successfully tested and gone into production using Qwest's Stand-Alone Test Environment (SATE). That statement is contained in materials submitted to the Department of Justice late last week, which were submitted for inclusion in the record in the referenced proceeding pursuant to a separate ex parte filing today. The attached confidential document is hereby submitted for inclusion in the record of the above-referenced proceeding.

Pursuant to the Public Notice in the referenced proceeding, Qwest is submitting an original and two copies of the redacted version of the confidential document, and is separately submitting one copy of the confidential version of the document. Qwest also is providing six copies of the confidential and redacted versions of the document to Gary Remondino of the FCC's Wireline Competition Policy Division.
